

Wyvern Junior Open 2024, West Bay Dorset.

Twenty-two juniors fished the Angling Trust Wyvern Region open junior competition today at West Bay.

The fish were feeding from the off for a lot of the competitors who lined the East Pier. Fish caught included Mullet, Pout, shannies, Tompots, Ballans and Corkwing Wrasse.

Thanks must go to all at West Bay SAC including Tiny. This year's event was well looked after with some great prizes by Tom and Tracey Marley of the Angling Centre at West Bay.

Tracey kindly stepped up to make the awards to all the winners.

Overall winner was Alfie Jeans of West Bay sac with 2331 g. This included a cracking Mullet of 4lb 11oz. Pictured Right.

Next up was Lillie-Rose Clark of West Bay sac and Honiton sac with 538 g.

Third place was Chelsea Pearce of West Bay sac with 435 g.

Best over 10 years old not winning a major prize was Albert Loizou with 233 g. R/U was Kaiden Amor 79 g.

Best under 10 years old was George Peniston-Bird 287 g and the R/U was Ben Stokes 219 g.

All the juniors were supplied with snacks during the event along with a huge goodie bag of fishing tackle at the end. The food and goodie bags were kindly supplied by the Wyvern Region and Tom and Tracey. During the event and just after some of the helpers and juniors, took part in the well sponsored Angling Trust/Shimano litter pick scheme. As expected, very little litter was found in the vicinity.

Many thanks to everyone who made this possible for the Wyvern Region.

Alfie being presented the winners trophy by Tracey Marley of the Angling Centre West Bay
